Dear sisters and brothers:

From the beginning of the Gospel narrative that we have just heard, St. Matthew puts us in an atmosphere of solemnity and mystery. It prepares us for the message that Jesus has prepared for us on this occasion.

The scene? On the shores of Lake Genezaret. Crowds surround the Master, eager for his word. In order to make himself heard better, Jesus enters the lake, a short distance from the shore, using a canoe that is nearby. The parable that is proposed today is of the seed.

Fr. Pedro Umaña, OFM
